Subject: Draft Invitation to King of Thailand

Keep this study together.

There is attached a suggested letter from the President to the King of Thailand inviting him to visit the United States during 1971. It is suggested that this invitation be transmitted by Ambassador-at-Large Kennedy who has an audience with the King on March 10 at 5:45 p.m.

For your information, Ambassador Unger has just learned that the planned trip of Prime Minister Thanom to the United Kingdom and other European countries, tentatively scheduled for May of this year, has been postponed indefinitely because of "the internal and external situation".
