OFFICE OF THE PRIME MINISTER
GOVERNMENT HOUSE
Bangkok, May 27, 1968.

Excellency,

I should like to take this opportunity to express my sincere appreciation for Your Excellency's warm hospitality and many kindnesses which have all contributed so greatly to the enjoyment of my official visit to the United States of America.

I was particularly gratified by the opportunities that the visit afforded for meaningful talks and frank discussions between us. I hope that such exchanges of views in the friendly atmosphere prevailing have enhanced our understanding of each other as well as brought us closer to realizing a more enduring basis for future cooperation which will be characterized by mutuality of interests and abundance of goodwill in equal enjoyment of our respective heritage of freedom and independence. I firmly believe that the new Treaty of Friendly Relations between our two countries is a major step forward in that direction and represents our confidence that the United States and Thailand will continue jointly to promote peaceful and constructive endeavours that will benefit our two peoples as well as the cause of liberty and progress for mankind.

Please accept my warm regards and best wishes for your continued good health and success.

Yours sincerely,

Field Marshal T. Kittikachorn

(Thanom Kittikachorn)
Prime Minister of Thailand
