No. 707

Subject: Propaganda activities of Legations of warring Powers in Bangkok.

The Honorable
The Secretary of State,
Washington.

Sir:

I have the honor to report that the British, French and German Legations in Bangkok have for some time past been actively engaged in circulating widely in Bangkok their respective versions of the progress of the war. As of possible interest to the Department I enclose herewith samples of the news handouts issued by the three above named Legations on June 12, 1940.

Respectfully yours,

Hugh G. Grant
American Minister
